## Our doctors. Our neighbors. Introducing our newest neighbor.

### Lindsay Foust, DPM Podiatry

As a regional community hospital, we are committed to providing the best in care to our neighbors. Dr. Foust has recently joined Henry County Orthopaedic Surgery and Sports Medicine as well as the medical team at Henry County Medical Center.

Dr. Foust, a native of Paris, attended Murray State University for her undergraduate degree and received her Doctor of Podiatric Medicine from Kent State University College of Podiatric Medicine. She did her Podiatric Surgical Residencies at Alliance Community Hospital in Alliance, OH and Summa Western Reserve Hospital in Cuyahoga Falls, OH. She comes to Paris from Kentucky/Indiana Foot and Ankle Specialists where she was a foot and ankle surgeon and clinician. She also has a passion for wound care and plans to offer this in her practice.

She and her husband Marshall, who is also from Paris, along with their two children enjoy traveling and being outdoors.

"It has always been my goal to come back to Paris and we finally have been given that opportunity. I hope to make Paris and Henry County proud."

HCMC is pleased to welcome Dr. Foust to the community and she is now accepting new patients.

# Miss Pearl's Country Cookin'

### Cottage Fries

Original recipe makes 4 servings

4 baking (russet) potatoes, sliced into 3/8-inch thick rounds  
salt and freshly ground black pepper to taste  
1 pinch cayenne pepper, or to taste  
1 pinch herbes de provence, or to taste  
2 tablespoons olive oil

Preheat oven to 425 degrees F. Line a baking sheet with parchment paper or a silicone baking mat and set aside. Combine potatoes, salt, ground black pepper, cayenne pepper, and herbes de provence in a large bowl. Drizzle olive oil over potatoes and stir to evenly coat. Place potatoes on baking sheet, spaced evenly, and bake in the preheated oven for 15 minutes. Remove from oven, flip over each potato slice, and return to the oven for another 15 minutes. Continue cooking and flipping until potatoes are well browned, about 30 minutes. Potatoes should be crispy around edges, but still soft in the center.

### Pepperoni Burger

original recipe makes 4 servings

1 (8 oz) can Hunt's® Tomato Sauce, divided  
1/3 cup finely chopped pepperoni  
1/2 teaspoon dried oregano  
1/4 teaspoon crushed red pepper flakes  
1 pound ground sirloin beef (90% lean)  
4 (1 oz) slices part-skim mozzarella cheese  
4 hamburger buns, toasted

Stir together 1/2 cup tomato sauce, pepperoni, oregano and pepper flakes in medium bowl. Add beef; mix together and shape mixture into 4 patties, about 1/2-inch thick. Heat large skillet over medium-high heat. Add patties; cook 5 minutes on each side or until cooked through (160 degrees F). Top each with 1 slice cheese; melt slightly. Remove from heat. Spread 1 tablespoon tomato sauce on bottom half of each bun. Top each with a patty. Spoon remaining tomato sauce evenly over patties. Close with tops of buns. Serve immediately.

### Deep Fried Mushrooms

Original recipe makes 8 servings

1 cup all-purpose flour  
1 teaspoon garlic salt  
1 egg  
1 cup water  
1 pound button mushrooms, quartered  
2 cups oil for frying, or as needed

In a medium bowl, stir together the flour and garlic salt. Mix in egg and water until smooth. Heat the oil in a large deep skillet over medium-high heat. Test to see if oil is hot by frying a drop of batter. If it sizzles and floats to the top, the oil is ready. Dip mushrooms into the batter and then place in the hot oil. Fry a few at a time so they are not crowded, until golden brown, 3 to 5 minutes. Remove from oil with a slotted spoon and drain on paper towels.

### Sweet Potato Brownies

original recipe makes 8 servings

**Brownies:**

2 cups white sugar  
1 cup butter, softened  
2 cups grated sweet potato  
1 1/2 cups all-purpose flour  
1 cup chopped pecans (optional)  
4 eggs  
2 teaspoons vanilla extract  
1 teaspoon salt

**Glaze:**

1 cup confectioners' sugar  
2 tablespoons melted butter  
1 teaspoon milk, or as needed

Preheat oven to 350 degrees F. Grease a 10x13-inch baking dish. Beat white sugar and 1 cup softened butter together in a bowl using an electric mixer until smooth and creamy; add sweet potato, flour, pecans, eggs, vanilla extract, and salt, stirring well after each addition, until batter is smooth. Pour batter into the prepared baking dish. Bake in the preheated oven until a toothpick inserted in the center comes out clean, 30 to 40 minutes. Whisk confectioners' sugar and 2 tablespoons melted butter together in a bowl; add enough milk to make a thin glaze. Spread glaze over brownies while still hot. Cool and slice brownies.

# Your Weekly Love Horoscope

**Aries**  
March 21-April 19

You're not in total control of circumstances at work today. You could overcompensate by presenting an optimistic front, but you're not nearly as confident on the inside as you appear on the outside. Becoming more cognizant of your extreme emotions enables you to react with less fear. Although you can think on your feet better than most, it's still wiser to allow extra time for contemplation now rather than responding immediately. If your idea was good at first, it will be even better by tomorrow.

**Taurus**  
April 20-May 20

You want to share everything you feel in a big way now, but your desired level of disclosure might be too much for everyone else. Gigantic Jupiter in your 5th House of Play is pulled off center by the willful Sun, making it nearly impossible to express yourself objectively. You may claim you are protecting someone else from getting hurt, but you're also reducing the pressure on yourself. If you are going to dig in your heels about anything now, demonstrate your determination to grow from your current experiences. Communication is a two-way street.

**Gemini**  
May 21-June 20

You may not be the person who normally gets so caught up in a cause that you make a stand in public. However, you could become so attracted to a political ideology now that it plays on your need for emotional security. Luckily, if your intentions are honorable, almost nothing will be able to stop you, especially if you're willing to reveal your own shortcomings in the process. Nevertheless, possessing accurate information is absolutely crucial today, so familiarize yourself with all the issues before jumping on the bandwagon.

**Cancer**  
June 21-July 22

Surprisingly, your confidence is running on overdrive today, prompting you to believe that you can overcome nearly any obstacle. Every single invitation sounds like an exciting opportunity you simply can't refuse. However, you might say yes to so many potential adventures that you struggle to keep up with them. Good intentions only count for part of the battle; it's necessary to set sensible priorities before you even take your first step. If you attempt to do a little less, you will enjoy yourself a lot more.

**Leo**  
July 23-August 22

Your social life gets an extra boost from the cosmos today, yet the favorable attention you receive can outlast the moment if you continue to stay true to your own values. This admirable tactic isn't about resting on your laurels or remaining stuck in place. There could be very powerful forces at work now that you don't completely understand. It's better not to confront opposition head on just yet. Have faith that your intuition will know when it's time to act and trust the universe to provide you with the answers you need.

**Virgo**  
August 23-September 22

You often excel at logically discerning what's best at each intersection of life, but this innate skill doesn't stop you from making bad decisions sometimes. Unfortunately, you may make a choice today for all the wrong reasons. Don't put your career goals ahead of personal dreams you know to be good for you. Try to keep everything in perspective now; otherwise, you will likely take on more than you can handle. If you overextend, you'll just have to go back and start all over again. Learn the art of saying no before it's too late.

**Libra**  
September 23-October 22

Your heartfelt desire to do the right thing makes your life more complicated than you expected. However, you really don't have much of a choice when it comes to those you love. Today's Sun-Jupiter alignment tempts you to overindulge, even if you are doing your best to avoid extremes. You need to do what resonates with your imagination now that your key planet Venus aligns with fantasy-prone Neptune. Demonstrate your courage and move confidently in the direction that you wish to go in your life.

**Scorpio**  
October 23-November 21

Finding a healthy balance is nearly impossible when you're captivated by so many intriguing possibilities. Your desire to create a sense of harmony in your life is extremely strong now, but you want to entertain all of your options, nonetheless. Honestly, you don't want to miss any of the social opportunities that pop up on your radar screen today. You can't be all that surprised if the serenity you seek seems elusive. Peace and quiet will arrive sooner than you think if you don't make so much noise searching for it.

**Sagittarius**  
November 22-December 21

You are highly motivated to make something positive happen today. However, your ability to think big is at once your strength and your weakness now, because you may be tempted to put your efforts toward a project that is better left undone. Unfortunately, your key planet Jupiter is so out of control that you could do something foolish. Thankfully, applying a healthy dose of common sense should be enough to do the trick. You can accomplish amazing feats if you keep both feet on the ground.

**Capricorn**  
December 22-January 19

You're worried about finishing everything that you accepted responsibility for doing today. But a few enticing distractions can change the landscape of your day as opportunities appear that look too good to be ignored. Normally, you can remain on track without much effort. However, your current lack of objectivity makes it difficult to determine what is most important. Keep in mind that bigger isn't always better when it comes to your plans for the future.

**Aquarius**  
January 20-February 18

Harnessing the power you possess might be more challenging today than it seems. Unfortunately, you may have to venture into less-than-comfortable emotional realms to make the most of the current cosmic gifts. Although processing your feelings isn't as straightforward as untangling your thoughts, this is where your true creativity is born. Loosening your grip on the reins of rationality allows your heart to express in a more natural manner. Fly, baby, fly.

**Pisces**  
February 19-March 20

Movers and shakers enter your life now, bringing a variety of ventures to your door. Unfortunately, you might harbor an unrealistic understanding of the current potential because your confidence is as high as your expectations. But there's no need to work yourself into a frenzy if your path ahead isn't clear. You won't likely solve this particular dilemma today; luckily, the most reliable opportunities won't require an immediate answer. Be as mellow as possible and see how things develop before making a final decision.
