Tennessee Free Fishing Day Tennessee's 2021 Free Fishing Day is set for Saturday, June 12 when anyone may fish free without a license in Tennessee's public waters. Academy Sports + Outdoors has generously sponsored this year's events statewide with fishing gear and giveaways.

The Tennessee Wildlife Resources Agency provides the annual free day in hopes of increasing interest in fishing. The day allows anyone the opportunity to try this great outdoor sport to celebrate fishing as a wholesome and healthy recreational opportunity. In addition, children ages 15 and younger may fish without a license beginning on Free Fishing Day through the following Friday (June 18).

HCMC Volunteer Auxiliary Collecting For Family Resource

Center The HCMC Volunteer Auxiliary is collecting sharp pointed scissors and smooth bound (not spiral) composition notebooks for the Henry County Family Resource Center. The Auxiliary is asking for partners and the community to consider contributing to help students prepare for the school year.

"We are excited to collect for the Family Resource Center again this year," said Tory Daugherty, Director of Marketing and Public Relations. "The Volunteer Auxiliary not only strives to make a difference at HCMC but in our community as well. Last year limited the activities the Volunteer Auxiliary could participate in and they are ready to serve the community."

The day and week are annual events in Tennessee and are great opportunities to introduce children to the enjoyment and excitement of a day on the water catching fish. Many events are returning this year following being cancelled last year due to the pandemic. The TWRA is among several organizations planning special fishing events, primarily for youngsters. The TWRA annually stocks several thousand pounds of fish for various events. A special thanks goes to Academy + Sports and other local sponsors for their support of Free Fishing events across Tennessee.

Anglers and potential anglers should check the events list often since special events are frequently added.

Free Fishing Day and Week apply to Tennessee's public waters, TWRA owned and operated lakes, and state park facilities. Some privately owned pay lakes and ponds continue to charge during this special day and week. Anglers will need to consult with those operators if there are any questions about a facility.

RUBBISH
Where does Litter come from?
Motorists and pedestrians are most often blamed for litter, Keep Paris/Henry County Beautiful, has identified seven sources that contribute to the problem:

1. House hold trash handling, items need to be placed in a bag that is tied!
2. Construction & demolition sites
3. Uncovered vehicles
4. Loading docks
5. Motorist
6. Pedestrians
7. Dumpsters

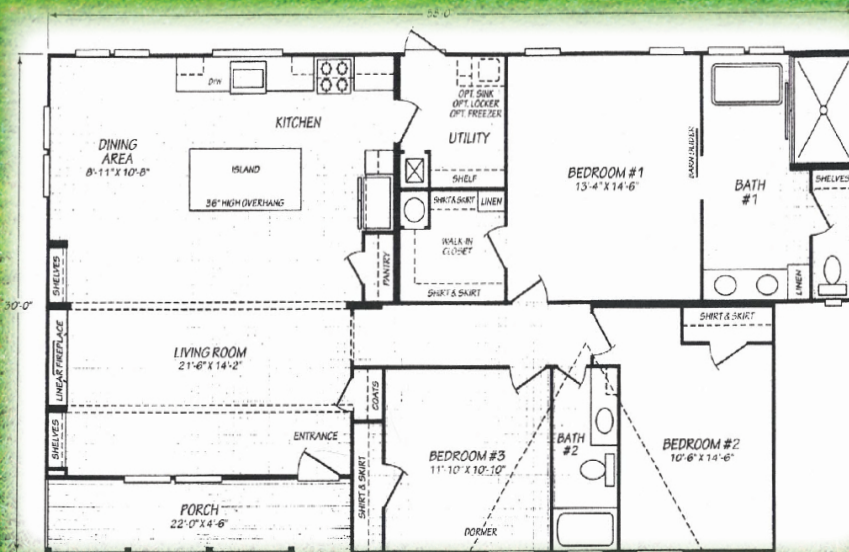

Litter is carried in every direction by wind, water, and traffic. It moves until trapped by a fence, wall, and row of trees. Once trapped it becomes an eyesore, but an invitation for people to add more.
