Area Publisher’s Legacy Will Always Be Remembered

Dennis Richardson, owner of Magic Valley Publishing Inc. and beloved husband, father, and grandfather, passed away suddenly and peacefully at his Camden home on Monday, July 26.

Born in Nashville on March 23, 1951, he was the youngest of seven children. His father was a sharecropper who provided well for his family, but passed away when Dennis was only two years old.

After graduating from Joelton High School, Dennis attended the UT Martin where he studied engineering. He transferred to UT Knoxville to study journalism, but returned to finish at UTM where he graduated and met his wife, Lisa Hatley Richardson.

His journalism career began at the Paris Post Intelligencer (PI) as sports editor. After a couple of years at the PI and a short time at the Carroll County News, he was hired as editor of the Weakley County Press (Martin) by Randal Benderman, who became his life-long mentor in newspaper publishing.

Dennis left the Weakley County Press and moved to Clarksville to work as a copy editor at the state’s oldest continuously published newspaper, the Leaf-Chronicle.

Dennis and Lisa became newspaper publishers in 1983 when they purchased the Carroll County News (Huntingdon). Soon after, they incorporated the business as Magic Valley Publishing, Inc. (MVP). Later in 1992, MVP purchased the

Carroll Leader merging it with the Carroll County News to create the Carroll County News-Leader. In 1994, Dennis added The Camden Chronicle to MVP.

Over the years, more acquisitions followed. These included the Print Shop (Waverly), Fulton Leader (KY), Hickman County Gazette (KY), Hickman Courier (KY), Carlisle Weekly (KY), Ballard Weekly (KY), Dekalb Co. News, Crockett County Times,

Lake County Banner (Tiptonville), Waverly News-Democrat, Buffalo River Review (Linden), Wayne County News (Waynesboro), Chester County Independent (Henderson), The Leader (Covington), Collierville Herald, Collierville Independent, Bartlett Express, Shelby Sun-Times, Germantown News, Millington Star, Shopper News (Gibson), and the Dresden Enterprise. MVP also started a regional travel magazine, Discover West Tennessee, in December 2020.

Dennis also was the owner of two radio stations, WRJB 95.9 FM and WFWL 1220 AM in Camden. In addition to the many businesses he managed under the MVP umbrella, he and Lisa ran MVP as a family business, working with many members of the extended Richardson and Hatley families, along with their three sons, who still function in key roles in the company.

He spent several years working as a newspaper broker, first for W.B. Grimes and Co. of New York, then on his own. While work-

ing for W.B. Grimes, Dennis brokered the largest newspaper deal in the company’s history in 2006, working tirelessly for months to close the deal.

During 38 years as an employer with hundreds of employees over that time, no case comes to the memory of his family where he denied an employee a vacation request, or a pay advance when an employee facing financial hardships requested it. Many who left the company returned in time, and several employees have worked for MVP for more than 15 years.

Dennis was a long-time member and deacon at

the Camden Church of Christ, a Rotarian, first as a charter member of Rotary Club of Huntingdon and then the Rotary Club of Camden. He served on directorial boards for the Tennessee Newspaper Association, National Newspaper Association, Carey Counseling Center, and various other organizations throughout his life.

He was preceded in death by his parents, Samuel Loren and Ella Matthews Richardson; three brothers, Sam Richardson, Jim Richardson, and John Richardson, and two sisters, Betty Armstrong and Frances Richardson.

Dennis leaves behind his beloved wife of 46 years, Lisa; three sons, Mark (Angie), Matthew, and Daniel (Lena) Richardson; one daughter, Gerilyn (Clint) Burnett; five granddaughters, Anistyn, Ashby, Emmalyn, Elizabeth, and Ella Richardson; one grandson, Mason Richardson; and one sister, Ruth Johnson.

The family will receive visitors on Thursday, July 29, from 5 to 8 p.m. and Friday, July 30, from 10 to 11 a.m. at Plunk Funeral Home in Camden. Funeral services will be held Friday at 11 a.m. in the Plunk Chapel with interment following at Eastview Cemetery.

SCHOOL ZONE DRIVING TIPS

- Be on the lookout for school zone signals and **ALWAYS** obey the speed limits.
- When entering a school zone, be sure to slow down and obey all traffic laws.
- Always stop for school busses that are loading or unloading children.
- Watch out for school crossing guards and obey their signals.
- Be aware of and watch out for children near schools, bus stops, sidewalks, in the streets, in school parking lots, etc.
- Never pass other vehicles while driving in a school zone.
- Never change lanes while driving in a school zone.
- Never make U-Turns while driving in a school zone.
- Never text while driving in a school zone.
- Avoid using a cell phone, unless it is completely hands-free, while driving in a school zone.
- Unless licensed to do so, never use handicap or emergency vehicle lanes or spaces to drop off or pick up children at school.

RIDING YOUR BIKE TO SCHOOL

- Check with the school to make sure your child is allowed to ride their bicycle to school. Some schools do not allow students to ride bicycles to school until they reach a specific grade.
- Make sure your child always wears a bicycle helmet! Failure to wear one could result in a traffic citation. Furthermore, in the event of an accident, helmets reduce the risk of head injury by as much as 85 percent.
- Obey the rules of the road; the rules are the same for all vehicles, including bicycles.
- Always stay on the right-hand side of the road and ride in the same direction as traffic.
- Be sure your child know and uses all of the appropriate hand signals.
- Choose the safest route between home and school and practice it with children until they can demonstrate traffic safety awareness.
- If possible, try to ride with someone else. There is safety in numbers.

PLAYGROUND SAFETY

- Supervisor must always be present when children are at the school's playground.
- Playground equipment should be surrounded by shock-absorbing material that is at least nine inches thick.
- Protective surfaces should extend six feet in all directions around the playground equipment. For swings, it should extend twice the height of the set.
- Due to strangulation hazards, do not attach ropes, jump ropes, clotheslines, pet leashes or cords of any kind to playground equipment.
- Be watchful of sharp edges or points on equipment.
- Alert the school if you notice anything strange about the playground equipment at your child's school.
- Spaces that can trap children, such as openings between ladder rungs, should measure less than three and a half inches or more than nine inches.
- All elevated surfaces, such as ramps, should have guardrails to prevent falls.

Safety Tips

WALKING TO SCHOOL

- Leave early enough to arrive at school at least 10 minutes prior to the start of school.
- Use the same route every day and never use short cuts.
- Go straight home after school. Do not go anywhere else without permission.
- Always use public sidewalks and streets when walking to school.
- Demonstrate traffic safety awareness and pick the safest route between your home and the school and practice walking it with your children.
- Try and walk to school with other students. There is strength in numbers.
- Teach your children to recognize and obey traffic signals, signs, and pavement markings.
- Only cross streets at designated crosswalks, street corners and traffic controlled intersections.
- Always look both ways before crossing the street and never enter streets from between obstacles like parked cars, shrubbery, signs, etc.
- Always walk and never run across intersections.
- Avoid talking to strangers. Teach your children to

get distance between themselves and anyone who tries to approach or make contact with them.

- If a stranger does approach your child, make sure they know to immediately report the incident to you or a teacher.
- Teach your children to never get into a vehicle with anyone, even if they know them, without your permission.

CLOTHING & SCHOOL SUPPLIES

- To prevent injury, backpacks should have wide straps, padding in the back and shoulders, and should not weigh more than 10 to 15 percent of a child's body weight.
- When placing items in a backpack, place the heavier items in first. The closer the heavier items are to a child's back, the less strain it will cause.
- Children should use both backpack straps and all compartments for even distribution of weight.
- Remove drawstrings from jackets, sweatshirts, and hooded shirts to reduce the risk of strangulation injuries.
- Art supplies in the classroom should always be child

safe and non-toxic.

- Make sure your child's school is up-to-date on the latest recalled children's products and toys.

SCHOOL BUS SAFETY

- Make habit of arriving at the bus stop at least five minutes before the scheduled arrival of the bus.
- Make sure your child stays out of the street and avoids excessive horseplay while waiting for the school bus.
- Be sure the bus comes to a complete stop before getting on or off.
- When riding the bus, make sure your child understands they must remain seated and keep their head and arms inside the bus at all times.
- Do not shout or distract the driver.
- Do not walk in the driver's "blind spot" — this is the area from the front of the bus to about 10 feet in front of the bus.

Grilled Sweet Potatoes with Apples

original recipe makes 4 servings

2 large sweet potatoes, sliced
1 apple - peeled, cored and thinly sliced
ground cinnamon to taste
white sugar to taste
1/2 cup butter

Preheat an outdoor grill. In a bowl, toss the sweet potato and apple slices with the cinnamon and sugar. Divide the mixture into 4 portions, places each on a large piece of aluminum foil.

Top each with an equal amount of butter. Tightly seal foil around each portion. Place foil packets on the grill, and cook 40 minutes, turning every 5 to 10 minutes, until potatoes and apples are tender.

Churros

original recipe makes 4 servings

1 cup water
2 1/2 tablespoons white sugar
1/2 teaspoon salt
2 tablespoons vegetable oil
1 cup all-purpose flour
2 quarts oil for frying
1/2 cup white sugar, or to taste

In a small saucepan over medium heat, combine water, 2 1/2 tablespoons sugar, salt and 2 tablespoons vegetable oil. Bring to a boil and remove from heat. Stir in flour until mixture forms a ball. Heat oil for frying in deep-fryer or deep skillet to 375 degrees F. Pipe strips of dough into hot oil using a pastry bag. Fry until golden; drain on paper towels. Combine 1/2 cup sugar and cinnamon. Roll drained churros in cinnamon and sugar mixture.

BBQ Chicken Calzone

Original recipe makes 4 servings

4 slices bacon
1/2 small onion, chopped
3 cups shredded, cooked chicken breast
2/3 cup barbeque sauce
1 (10 oz) can refrigerated pizza crust dough
1 cup shredded mozzarella cheese

Preheat the oven to 400 degrees F. Fry bacon in a large skillet over medium-high heat until crisp. Remove from the pan to drain on paper towels; crumble. Add the onion and shredded chicken to the hot bacon grease in the pan. Fry over medium heat until onion is tender. Stir in 1/3 cup of barbeque sauce, and remove from the heat. Mix in the cooked bacon. Roll the pizza crust dough out onto a greased cookie sheet. Press out to an even thickness, and then cut in half. Divide the chicken mixture between the two pieces of dough, spreading on only half of each piece to within 1/2 inch of the edge. Drizzle the

remaining sauce over the filling. Sprinkle the cheese and cilantro over the top. Fold the uncovered portion of dough over the filling, and press the edges together with a fork to seal. Bake for 25 minutes in the preheated oven, or until browned to your liking. Cool for a few minutes, then cut each calzone in half. Each serving is half of a calzone.
