"Happy Labor Day! The office will be closed Monday."

Shepherd's Table The Shepherd's Table at the First Presbyterian Church in Paris will be serving to go meals beginning at 4:30 on Thursday, September 2nd at their location on N. Market Street next to the Paris Post Office.

Volunteers will be dishing out and sending home delicious homemade chicken spaghetti, green beans, buttered bread and dessert. The meals will be served until 6:30pm. The church asks that you enter the side court yard located on Blythe Street. Volunteers will be there to assist you. Due to Covid regulations this is a carry-out meal only.

Everyone is invited! The church is still in the process of learning and growing - so the meals are first come first serve. Usually there is plenty for everyone. See you at Shepherd's Table - Tuesday, Sept. 2nd, 4:30 - 6:30pm.

Registration Open For Tennessee

Naturalist Program Paris Landing State Park and Tennessee National Wildlife Refuge today announced that registration is now open for the next Tennessee Naturalist Program course. Classes will begin September 25th meeting once a month until June, 2022. This makes the widely recognized Naturalist Course available to area residents who wish to study nature during all four seasons. Paris Landing and Tennessee National Wildlife Refuge are a recent Chapter of the Tennessee Naturalist Program that offered the course for the first time in 2020-2021.

"One of the most enjoyable and educational experiences I've enjoyed was taking the Tennessee Certified Naturalist Program!" said former TNP student Hal Hassal. Another recent student, Blue Bastian said, "The course instructors are extremely knowledgeable. They engage participants enthusiastically in the classroom and in the field. I left each class eager to learn more!"

The course includes 40 hours of instruction and 40 hours of volunteer service in natural resources. Professionals that use the state park and refuge as an outdoor classroom teach the classes. Some classes are also taught at Land Between the Lakes and Hancock Biological Station. Class topics include: Birds, Mammals, Amphibians/Reptiles, Insects/Invertebrates, Forests, Plants/Fungi, Geology, Aquatic Species, Nocturnal Species, and Astronomy.

The Tennessee Naturalist Program (TNP) is a 501c3 educational training course designed to introduce the natural history of Tennessee to interested adults. Graduates join a corps of Tennessee Naturalist volunteers providing education, outreach, and service dedicated to the appreciation, understanding, and beneficial management of natural resources and natural areas within their communities. Classes are hosted by area Tennessee Naturalist Program Chapters and taught by experts in their fields.

The mission of the program is to teach Tennesseans about their natural world, inspire the desire to learn more, instill an appreciation of responsible environmen-

Noon On Square Postponed To protect the community and employees, Commercial Bank & Trust in Paris has decided to delay the Noon On the Square concert series until October in hopes of seeing a decline in active COVID cases within the community.

The tentative dates will be October 1st, 8th, 15th, and 22nd.

Bank President Clint Davis said, “We remain cautiously optimistic that the music, the fellowship, and the fun of this event will return then; however, we will continue to monitor the risk associated with the pandemic and provide updates on the event. Please continue to do your part to help stop the spread of COVID-19 and keep our community safe.”

Miss Pearl's Country Cookin'

Apple Chips

original recipe makes 6 servings

2 Golden Delicious apples, cored and thinly sliced
1 1/2 teaspoons white sugar
1/2 teaspoon ground cinnamon

Preheat oven to 225 degrees F. Arrange apples slices on a metal baking sheet. Mix sugar and cinnamon together in a bowl; sprinkle over apple slices. Bake in the preheated until apples are dried and edges curl up, 45 minutes to 1 hour. Transfer apple chips, using a metal spatula, to a wire rack until cooled and crispy.

If you want, flip apple slices halfway through baking and sprinkle the other side with cinnamon sugar. **Note: they will not feel crispy until they cool down.*

Chicken Stroganoff

Original recipe makes 4 servings

4 skinless, boneless chicken breast halves - cubed
1/8 cup margarine
1 (.7 oz) package dry Italian-style salad dressing mix
1 (8 oz) package cream cheese

Put chicken, margarine and dressing mix in slow cooker; mix together and cook on low for 5 to 6 hours. Add cream cheese and soup, mix together and cook on high for another 1/2 hour or until heated through and warm.

Double Chocolate Fudge Pops

original recipe makes 8 frozen fudge pops

1/2 cup white sugar
2 tablespoons cornstarch
2 tablespoons cocoa powder
2 1/2 cups whole milk
1 teaspoon vanilla extract
1 tablespoon butter

Combine the sugar, cornstarch, cocoa powder, and milk in a small saucepan over medium heat. Bring to a simmer, and stir until thick, about 2 minutes. Remove from heat; stir in vanilla and butter. Transfer to a heatproof bowl, and refrigerate until cool, approximately 20 minutes. Stir the chocolate chips into the cooled chocolate mixture. Pour into molds and freeze until firm, about 4 hours.

Grilled Yams

original recipe makes 4 servings

1 large yam, peeled and cut into 1/2 inch thick slices
olive oil-flavored cooking spray
salt to taste

Preheat a grill for high heat. When the grill is hot, lightly oil the grate. Coat the strips of yam with olive oil cooking spray and season with salt. Arrange the yam strips on the grate crosswise so they don't fall through. Cook for 10 to 12 minutes per side, until tender and glazed. Serve with butter.
