## Carroll County Chamber of Commerce 38th Annual Membership Banquet

The Carroll County Chamber of Commerce will host the 38th annual Chamber Membership Banquet on Monday, October 25, 2021 at the Carroll County Civic Center. Silent auction will start at 6:15 p.m., and the program and dinner will begin at 6:30 p.m. Due to Covid-19 restrictions last year, the Chamber will be honoring recipients for both 2020 and 2021.

Please call the Chamber office at 731-986-4664 for tickets. Tickets are \$22.00 each.

## Burn Permits Required Now

**Through May** From October 15 through May 15, anyone starting an open-air fire within 500 feet of a forest, grassland, or woodland must by law secure a burning permit from the Division of Forestry.

Permits are not required for burning in containers such as a metal barrel with a ½" mesh screen cover. Anyone needing to burn within an incorporated city should contact city authorities about any local burning ordinances.

Many towns and cities have their own burning regulations that supersede the Division of Forestry's burning permit program.

Burn permits are required from the Tennessee Division of Forestry beginning October 15, 2021 for debris piles in areas without local restrictions.

Check local restrictions in you

To report illegal burning, please call toll-free 1-888-891-TDEC

The following tips should be followed when it is safe to conduct a debris burn: Check with local authorities to make sure there are no local restrictions on burning currently in place, especially in cities and towns that have their own burning permit system.

GET A PERMIT. A permit is required from the Tennessee Division of Forestry between October 15 to May 15 where local restrictions do not supercede.

Notify your local fire department and neighbors to let them know your plans to burn

Do not burn on windy days

Stay abreast of changing weather conditions  
Establish wide control lines down to bare mineral soil at least five feet wide around burn piles

Keep fire containment equipment on hand during the fire (e.g. rake, shovel, water)

Stay with the fire until it is completely out.
