The worst thing in the winter months.

# LITTER!

Not an acceptable at any time during the year.

Trees are barren and grass doesn’t grow to hide the trash.

But we still see litter along the roadways.

Don’t risk getting a ticket or caught littering.

Be conscientious of what your toss out of your car window.

Littering is not only harmful to the environment, it’s also an eyesore to area roads, communities and neighborhoods.

Volunteer by picking up in your community.
