Henry County History Book

Deadline Family histories are still coming in daily for publication in the upcoming Henry County Family History Book, expected to be in print later this year. There have been hundreds of histories entered so far, and many more are expected before the January 30th deadline, according to the Paris-Henry County Heritage Center.

Detailed brochures about the book at still available at the Heritage Center, including sample family histories and instructions on how people throughout the county can participate.

"You don't have to write well to develop

your own family history," said Stephanie Tayloe, Book Committee Chair. "We even have fill-in-the-blank forms available, so if you can answer the questions about your ancestors, we can help compose your story!"

Every family currently living in Henry County, or who came from the county, may provide a brief family history up to 500 words in length along with one photograph. There is no cost to include family histories up to 500 words.

For more information, contact the Heritage Center at (901) 616-8961 or by emailing hcbicen200@gmail.com. Copies may be reserved through the Heritage Center for only \$59.95. The deadline for submitting material for the book is January 30, 2022.

The book will be published by Acclaim Press, who specializes in community histories and trade publications. Additional information about the book is available on the Acclaim Press website: www.acclaimpress.com.

Tennessee Launches Poll Worker

Recruitment On National Poll Worker Recruitment Day, Secretary of State Tre Hargett launched a new statewide campaign, Be an Election Hero. Become a Poll Worker., to encourage Tennesseans to serve their community as poll workers for the 2022 election cycle.

"We cannot run elections in Tennessee without poll workers. They are the most fundamental piece of the process," said

Secretary Hargett. “That is why we are encouraging Tennesseans, especially young adults, to step up to serve their community as poll workers and be the next generation of election heroes for our great state.”

During early voting and on Election Day, poll workers help polling sites in their community run smoothly by conducting various tasks, including greeting voters, answering questions, explaining how to cast a ballot, and counting votes. Poll workers are paid for working during early voting and on Election Day, as well as for attending required training sessions.

Most Tennesseans are eligible to work as poll workers, regardless of political affiliation. The minimum age to work as a poll worker is 16 years old. Anyone over 18 must be a registered voter in the county they are serving in.

- Qualifications to Be a TN Poll Worker:
- Be at least 16 years old
 - Be a registered voter in the county if 18 or older
 - Be able to read and write in the English language
 - Not be a candidate or close relative of a candidate
 - Not be supervised by a county or municipal elected worker on the ballot

- Government Employees Who Can Serve as Poll Workers:
- All City, County and Metro employees (unless working directly under the supervision of an elected worker on the ballot)
 - State of Tennessee employees
 - Federal employees – consult your Human Resources Department to ensure eligibility

“It takes thousands of poll workers to help Tennessee’s 95 county election commissions run elections so that voters can confidently cast their ballot and know the election results are secure,” said Coordinator of Elections Mark Goins.

Established by the U.S. Election Assistance Commission, National Poll Worker Recruitment Day aims to raise awareness about the important role poll workers play in elections.

For the latest information about becoming a poll worker or upcoming Tennessee elections, follow the Secretary of State’s social media channels Twitter: @SecTreHargett, Facebook: Tennessee Secretary of State and Instagram: @tnsecofstate. To step up to serve your community as a poll worker, apply now at GoVoteTN.gov.

LITTER!

Not an acceptable at any time during the year.

Trees are barren and grass doesn’t grow to hide the trash.

But we still see litter along the roadways.

Don’t risk getting a ticket or caught littering.

Be conscientious of what your toss out of your car window.

Littering is not only harmful to the environment, it’s also an eyesore to area roads, communities and neighborhoods.

Miss Pearl's Country Cookin'

Burrito Pie
2 pounds ground beef
1 onion, chopped
2 teaspoons minced garlic
1 (2 oz) can black olives, sliced
1 (4 oz) can diced green chili peppers
1 (10 oz) can diced tomatoes with green chile peppers
1 (16 oz) jar taco sauce
2 (16 oz) cans refried beans
12 (8 in) flour tortillas
9 oz shredded Colby cheese
Preheat oven to 350 degrees F. In a large skillet over medium heat, saute the ground beef for 5 minutes. Add the onion and garlic, and saute for 5 more minutes. Drain any excess fat, if desired. Mix in the olives, green chile peppers, tomatoes with green chile peppers, taco sauce and refried beans. Stir mixture thoroughly, reduce heat to low, and let simmer for 15 to 20 minutes. Spread a thin layer of the meat mixture in the bottom of a 4 quart casserole dish. Cover with a layer of tortillas followed by more meat mixture, then a layer of cheese. Repeat tortilla, meat, cheese pattern until all the tortillas are used, topping off with a layer of meat mixture and cheese. Bake for 20 to 30 minutes in the preheated oven, or until cheese is slightly brown and bubbly.

Candied Walnuts
1 pound walnut halves
1 cup white sugar
2 teaspoons ground cinnamon
1/4 teaspoon salt
6 tablespoons milk
1 teaspoon vanilla extract
Preheat oven to 350 degrees F. Spread nuts in a single layer over a baking sheet. Roast for approximately 8 to 10 minutes, or until the nuts start to turn brown and the smell of roasting nuts fills the kitchen. Stir together sugar, cinnamon, salt, and milk in a medium saucepan. Cook over medium-high heat for 8 minutes, or until the mixture reaches the soft ball stage of 236 degrees F. Remove from heat, and stir in vanilla immediately. Add walnuts to sugar syrup, and stir to coat well. Spoon nuts onto waxed paper, and immediately separate nuts with a fork. Cool, and store in airtight containers.
