FISH TENT

WEDNESDAY, APRIL 27 • 5PM-9PM
THURSDAY - SATURDAY
APRIL 28-30 • 11AM-9PM

The World's Biggest Fish Fry gets its name honestly! Those Jaycees and their helpers fry tons and tons of catfish! When the Robert E. "Bobby" Cox Memorial Fish Tent opens, your mouth starts watering and nothing will stop it until you sit down with a plate of that delicious goodness!

The Fish Tent is not only the center point of the World's Biggest Fish Fry it is chock full of good ole' Henry County Traditions. Starting with the name – in the early Fish Fry days everyone ate under tents in downtown Paris and Mr. Bobby Cox was the man with the plan to oversee that it all got taken care of. Now the fish is

served in a beautiful air conditioned facility at the Henry County Fairgrounds but is still referred to as the Fish Tent and named for everyone's buddy, Bobby.

Other traditions that the Fish Fry still keep is that the fish is served by the community to it friends, family and visitors. Civic organizations, community leaders, churches and other volunteer groups sign up every year to stand in line and pass out catfish, hush puppies and dip out white beans. One of the most cherished traditions is the tossing of the first hush puppy. Each year the Hostess Princess, tosses out the first hush puppy to a member of her family and thus begins the eating of the catfish!

The Fish Tent will open at 5pm on Wednesday, April 27th. Keep in mind that Fish Fry week may start on Monday but the fish isn't served until Wednesday. The Fish Tent hours for the remainder of the week are 11am to 9pm, Thursday, Friday and Satur-

day, April 28th, 29th and 30th.

The World's Biggest Fish Fry menu will include fresh fried catfish, hush puppies, french fries, white beans, vinegar and mayo cole slaw and a cold drink. You get all of this you only \$15 and it is all-you-can-eat! Children ages between 6 – 12 years old will eat for only \$12. All-you-can-eat is only available to customers that dine in. Take out containers will be available.

Holley Credit Union is the sponsor for the 2022 World's Biggest Fish Fry Fish Ten. Henry County Jaycees and various volunteers fry the fish and make the hush puppies. Different churches donate the delicious white beans and everyone helps keep the Fish Tent clean!

There may be a lot of things going on at The World's Biggest Fish Fry. But there is only one thing you better not miss! The Fish Tent!! They don't call it a Fish Fry for nothing! Get all you can eat and enjoy yourself!

Friday of Fish Fry Week is known as Fish Fry Day and it all gets started with a Grand Parade. The Grand Parade this year will begin at 10am, April 29th, on East Wood Street. The Jaycees are proud to announce that this year's parade is dedicated to long time Jaycee and Parade Coordinator, Dwayne Baldwin. His service and dedication toward the World's Biggest Fish Fry and his title of Grand Parade Chairman will forever remain as an example of a good Henry County Jaycee.

The Grand Marshall for the 69th Annual World's Biggest Fish Fry Grand Parade is award-winning meteorologist Meaghan Thomas from Channel 2 News in Nashville. Besides presiding over parades and predicting the weather, Meaghan is also an author and advocate for the hard of hearing and deaf community.

The sheer volume of participants are what make this parade so grand. Floats, bands, cars, trucks, even boats line up to be a part of the big time. Entries come from the surrounding counties to compete for trophies for the best float and best marching band. The competition is usually fierce.

The Jaycees have not changed the route this year so everyone knows just where to go and the best place to park to see the whole thing. They

usually start shutting down streets around 9am so it is best to arrive early and get your favorite spot. The Grand Parade begins on Wood Street close to the East Wood Church of Christ and heads East to Fairgrounds Rd., where it makes a right and heads to The Fish Fry parking area where the parade ends.

As usual bands will meet and line up at Ogburn Park, located directly behind the East Wood Church of Christ. Floats will line up on East Wood Street and other vehicles will re-

main in the Church parking lot until they are directed to join the procession. Also, the horses will be unloaded at the lower level of Ogburn Park.

Regardless of your number in the parade you will proceed in the order that you arrived. This is to cut down on confusion, unnecessary congestion and to make the flow easier for all involved. For safety purposes no candy will be thrown from floats into the crowd and there will be no fire works or poppers permitted in the Grand Parade.

This year's Grand Parade is sponsored by Humana. All judging will be done prior to the start of the parade. It is important that you arrive at your designated time and be ready for judging.

SMALL FRY PARADE

SATURDAY, APRIL 30 • 10AM

The Small Fry Parade may not be the grand spectacle as its predecessor, but it truly is not one to be missed! The Small Fry Parade is always held on the Saturday morning after the grand parade. This year's event will be at 10am, April 30th, around the Court Square in Downtown Paris.

Foundation Bank proudly sponsors this most famous event this year. Come out and see the little ones in their costumes and makeup and their homemade floats. The theme each year is pretty much whatever each participant chooses which makes it

more fun and creative. Pre-schools, church groups, and any individual can participate. If you are willing to have fun, you pretty much can be a part of the Small Fry Parade.

Awards will be given in many different categories, including: Best Marching Unit, Coolest Pet, Best Decorated Float, Most Original Float, Best Character/Costume, and the Best Decorated Bicycle/Tricycle. Just keep in mind that floats must be pulled by a non-motorized source. Bikes, peddle tractors and hand-pulled wagons are perfect for the

Small Fry Parade. There is even an award for Best Power Wheels.

In the past the line up has started at the First United Methodist Church just off the Court Square in downtown Paris. The parade usually ends there, too. Awards are announced on the steps of the Methodist Church. Any changes to that will be announced ahead of the parade.

JUNIOR FISHING RODEO

SATURDAY, APRIL 30 • 11AM-1PM

If you want a man to eat for one day give him a fish. If you want him to eat for a lifetime teach him how to fish. The Junior Fishing Rodeo is held at Williams Lake in Paris, beginning at 11am until 1pm, on Saturday, April 30th. It is free to fish for children 12 years old and younger.

The Junior Fishing Rodeo is sponsored by Hulme Sporting Goods, TWRA and Dicus Disposal. The children will compete for prizes in different age groups. There will be awards for ages 4 years and under, ages 5-8, and ages 9-12. Prizes will be awarded in each age group for the boy and the girl

with the most fish and the boy and the girl with the biggest fish.

Any experienced fisherman can tell you that fishing is as fun as you want it to be. Sometimes they bite, sometimes they don't but always go in with a good attitude and have fun! Like one writer

said at a past Fish Fry event – some days you get the hook and some days you get the worm.

Visit The Official World's Biggest Fish Fry Facebook page for more info, updates and registration or contact the headquarters by calling (731) 644-1143.
