**Shepherd's Table** On the 3rd and 4th Tuesdays The Shepherd's Table community kitchen now serves meals at First Presbyterian Church located at 19835 E.Main Street Huntingdon, TN. Meals are served restaurant style with drive through available from after 6pm. It is open to the public and there is no cost. Donations are accepted. All are invited.

Food scarcity is real in this area and the Shepherd's Table's success is dependent on the support of volunteers and donations. The meals are prepared by volunteer staff hosted by different congregations in our town and donated by local businesses. Our town's community kitchen was created by a group of volunteers that saw the need in the Carroll County community. They need volunteers and are scheduling the 2022 calendar. To volunteer or donate you can call 731-415-9199 and leave a message or email [fpcshepherdstable@gmail.com](mailto:fpcshepherdstable@gmail.com).

### Hummingbird Banding Event

Have you been seeing lots of hummingbirds lately? This time of year the numbers usually swell due to the fact that the ones that have been here nesting have fledged their young, as well as the migrants that nested north of us are starting to come through this area on their way south. Once again the Tennessee National Wildlife Refuge will celebrate with a Hummingbird Banding Event on Saturday, August 13, 2022 from 9 am to 3 pm when they host a free hummingbird banding demonstration at the refuge Visitor Center located at 1371 Wildlife Drive in Springville, TN.

Federally Licensed Master Bander, Cynthia Routledge of Southeast Avian Research in Clarksville, Tennessee will return to lead the banding demonstrations. Using specially designed tools, Mrs. Routledge will band each captured hummingbird with a band that has a number that will be unique to that individual bird, much like a "bird social security number". She will then take a series of additional measurements to determine the age and sex of the hummingbird and then the bird will be released.

All these measurements will be carefully recorded and all the information will be turned in to the Bird Banding Laboratory in Laurel, Maryland, the central database for all North American bird banding information. Researchers, such as Mrs. Routledge, have gained valuable insight and information about the lives and habits of hummingbirds through banding such as migration routes, longevity, nesting habits, population trends, the effects of habitat loss and a warming world.

Banding will take place on the center's back patio, when there are birds available from 9:00-11:00 am; 12:00 – 1:00 pm and 2:00 – 3:00 pm. Mrs. Routledge will also present a program on Hummingbirds at 11:00 a.m. and 1:00 p.m.

The day will include fun for the whole family as arts and crafts, and other activities for children will occur throughout the event.

This year the participating public will be able to "Adopt a Hummingbird" for a donation of \$10.00. With that dona-

**Disaster Assistance For 2022 Livestock Forage Losses In Henry And Benton Counties** Producers in Benton County & Henry County are eligible to apply for 2022 Livestock Forage Disaster Program (LFP) benefits on improved pasture and forage sorghum.

LFP provides compensation if you suffer grazing losses for covered livestock due to drought on privately owned or cash leased land or fire on federally managed land. County committees can only accept LFP applications after notification is received by the National Office of qualifying drought or if a federal agency prohibits producers from grazing normal permitted livestock on federally managed lands due to qualifying fire.

You must complete a CCC-853 and the required supporting documentation no later than January 30, 2023. For additional information about LFP, and eligible livestock criteria, contact the local USDA Service Center or visit [fsa.usda.gov](https://fsa.usda.gov).

1 cup sliced fresh mushrooms  
2 tablespoons chopped onion  
1 tablespoon olive oil  
1 garlic clove, minced  
1 tablespoon all-purpose flour  
1 cup Alfredo sauce  
3/4 cup 2% cottage cheese

1/4 cup plus 2 tablespoons shredded Parmesan cheese, divided  
1 large egg, lightly beaten

Spread 1/2 cup Alfredo mixture in an 8x4-in. loaf pan coated with cooking spray. Layer with two noodles (trimmed to fit pan), half of the cottage cheese mixture, half of the remaining Alfredo mixture and 3/4 cup mozzarella cheese. Sprinkle with remaining Parmesan cheese. Repeat layers. Cover and bake at 350° for 30 minutes. Uncover; bake 10 minutes longer or until bubbly. Let stand for 10 minutes before cutting.
