Bernie Leslie/James Hinton -Kentucky Lake Beekeeper's Association

The day will also include activities for the family. A demonstration bee hive and beekeeping equipment will be on hand provided by the Kentucky Lake Beekeepers Association. The day will also include a tour of the refuge's demonstration pollinator patch where live Monarch caterpillars, butterflies, and native plants are easy to see. An additional challenge offered is to play Pollinator Garden Bingo, where participants find different pollinator or garden species for a small prize.

Have you ever used a butterfly net? Rangers will be on hand with plenty of nets to show you how and to help identify what you catch through the help of a free app called iNaturalist.

On the refuge back patio will be native milkweed plants for sale as well as milkweed seeds and seeds from other native flowers that enhance a backyard to attract pollinators.

Noon On Square The popular Noon On The Square in downtown Paris has been moved to October.

The event draws hundreds to the court square to hear live music and munch on burgers, BBQ and more and historically

has been held in September.

Last year, the event was moved to October and Commercial Bank & Trust President Clint Davis said the reception was so good for having it in October when the weather is not so hot. "That was the response we had from several, and the reason we decided to stick with October again," he said.

Davis will announce this year's line-up for Noon On The Square in late Septem-

Noon on the Square was cancelled in 2020 due to the COVID pandemic and it was rescheduled to October last year due to a spike in cases around September.

I project a "bad boy" image, with a self-assured swagger, but I am a gentle, loving soul at heart. I live drug and alcohol free (although I do rarely drink a little bit once or twice a year, and prefer the same in a companion.) I am a country boy from up north, transplanted recently to TN. I am seeking an honest, loving country gal, ages 35-60(?) or so, who prefers quiet evenings at home, enjoys a little occasional romance, occasional shopping excursions, or just an afternoon ride in the country. My hobbies include hiking, fishing, primitive camping in the backwoods by a lake, hunting, low impact bike rides on trails, gardening, outdoor stuff. I don't believe in intimacy without emotional attachment, so not looking to just hook up when it's convenient. I have much time researching and studying ways to please my mate, and am always willing to learn more on an individual basis. I continue to live an active lifestyle in all areas, although I have throttled back some in the last few years. I look forward to hearing from you ladies and will try to respond to all replies in a timely manner. PTP 533
